- **7/19/19: Release of RFP for New Projects**
An RFP and instructions for new project applications will be sent to email subscribers and posted on the CAFTH NOFA webpage.
- **8/2/19: Site Visit Summary and Completed Scorecards sent to Renewal Projects**
Agencies with renewal projects will be sent by email the results of their Site Visit report and Completed Scorecards for review.
- **8/9/19: DEADLINE to submit comments on Site Visit Summary and/or Scorecards**
If agencies with renewal projects would like to comment on any sections of their Site Visit report or Scorecard, these comments must be submitted to CAFTH. Comments are limited to one page, front and back.
- **8/12/19 – 8/13/19: E-snaps Training Opportunities for New & Renewal Projects**
CAFTH will host optional lab times for any applicants to complete application requirements in the e-snaps online portal. You must check the CAFTH NOFA webpage to register in advance. However, you aren't required to wait until this time to begin entering information in—you only need to attend if you have any questions or issues with the e-snaps portal.
- **8/19/19: DEADLINE: Project Applications due to CAFTH by 4:00 pm**
All new and renewal project applications must be submitted to CAFTH by this deadline for consideration.

The Rank & Review Committee, consisting of the Consortium's Governing Council (except those applying for funding) and three community members elected at the Annual Meeting will meet to review, discuss, and rank all project applications and place them into two tiers, from which HUD will determine final projects and funding amounts awarded. The Committee will receive for each project:

- 1. Project Application*
 - 2. Completed Scorecard*
 - 3. Site Visit Summary*
 - 4. Comments submitted in response to Scorecard or Site Visit Summary*
- **9/3/19: Projects Notified of Acceptance and Ranking**
 - **9/9/19: DEADLINE for Submitting an Appeal of Ranking Results**
 - **9/13/19: Posting of Results and Collaborative Application to CAFTH website/18/19: Deadline to Submit Comments to CAFTH on Collaborative Application**
