**6. Project Applicant Experience – Meeting Service Needs of DV Survivors**

Describe in the field below examples of supportive services the project provided to domestic violence survivors while quickly moving them into permanent housing and addressing their safety needs.

**Guidance—Examples**—During funding year 2023, ABC Project staff provided the following supportive services to DV survivors:

- Child custody—ABC project assisted DV survivors to pursue child custody by making legal services available through its partner EFG Legal Services, provided transportation, and provided a support group for others experiencing similar challenges. ABC ensures that the survivors' safety needs were addressed by maintaining confidentiality, using harm reduction.
- Bad Credit History—ABC project used case management to quickly assess whether survivors needed credit repair services, provided through our partner, Credit Repair, Inc., which specializes in assisting survivors to restore their credit, which is often necessary to obtain affordable housing for survivors whose credit has been damaged.
- Housing Search and Counseling—ABC project employed a housing navigator to identify local landlords and apartments. Using the housing navigator resulted in a three-week decrease in the amount of time it previously took survivors to locate units.
- Crisis DV Services—ABC project employed advocates that staff a 24/7 DV crisis helpline and provide trauma-informed support, including safety planning, emergency shelter, and assistance in navigating restraining order processes
- Long-term Housing Stability Safety Planning—ABC project works with program participants to develop long-term housing safety plans in preparation for the program participant exiting the project, which includes self-advocacy, legal support, representative support, community accompaniment.
- Education Services—ABC partnered with a local community college to enroll 5 survivors in GED classes, a 100 percent increase from last year where we did not have the funding to provide this service. Currently there are 10 survivors on the waiting list for future GED classes.
