2. Reallocation

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2027 to create one or more new projects? Yes

Alert:

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

TN-501 determined that YHDP RRH Renewal_FY2024 would not continue as an RRH renewal through the FY2026 competition as part of the CoC's broader FY2026 application strategy. The CoC held multiple discussions with consortium members, the CoC Governing Council, CoC/YHDP-funded projects, and community stakeholders to review the FY2026 NOFO, assess community priorities and project needs, and determine how the CoC could best position its overall application. Through this process, the CoC identified multiple projects for potential reallocation, transition, or replacement to better align the portfolio with NOFO priorities and community needs.

CAFTH, as the CoC/HMIS Lead Agency, convened leadership from CoC/YHDP-funded agencies to discuss the NOFO and the community's proposed direction. CAFTH provided renewal projects with renewal scorecards before applicants submitted project applications so they could review their performance results and factor those results into their decision to pursue a basic renewal or voluntarily pursue a reallocation, transition, or replacement option.

Following these discussions, CAFTH and Governing Council members met with individual projects to review their options and discuss the implications of changing their project type or pursuing a replacement project. Projects were given the opportunity to voluntarily pursue the recommended change; the CoC did not require projects to change their program models. Projects that did not pursue the recommended change understood that their existing project might not be funded through the FY2026 competition.

For YHDP RRH Renewal_FY2024, the applicant reviewed its performance information and voluntarily chose to pursue a replacement Transitional Housing (TH) project because the applicant and CoC determined that the TH model was a better fit for the program and the population served. The Rank & Review Committee agreed with the proposed replacement and included the TH project in the FY2026 Priority Listing.

The applicant was notified informally of the Rank & Review determination on August 6, 2026, following the Rank & Review Committee meeting. The applicant received formal notification of the final determination on September 23, 2026.

They also wanted to increase the number of people served and the number of units available. The Rank & Review Committee agreed with the proposed reallocation and included the reallocation and DV bonus TH project in the FY2026 Priority Listing.
